

"Corvus" Nonsuch 30 Classic Summer Cover

2022-06 Alan S.

Only starboard side shown, symmetric on centre line.
Material is Odyssey III (Marlen Textiles, acrylic coated woven polyester, 300 denier), 64" wide. Used ~18-19 yards.
Dimensions are in inches to keep Marc B happy.
Outside edges have 1.5" double fold (ref: lose 3" per edge), centre line has 2" fold (ref: lose 4" overall).
All grommets have PVC strip reinforcements sewn into folds.
Grommets (shown as circles) at stations, halfway between stations and centre line at circles.
Use 6mm/0.25" shock cord with open plastic hooks to connect to lifelines.
Centre line grommets line up with lazy jacks.
